BUILDERS'

ASSOCIATION

CHOOSE A PROFESSIONAL  
CHOOSE A MEMBER

Below you will find some reasons we feel you will benefit by becoming a member. Let us know if there is anything you feel we can add!

**\*Enjoy friendship, along with knowledge...**

As you attend quarterly informative meetings with guest speakers talking on pertinent subjects within the residential industry.

**\*Increase business contacts by networking...**

With other business owners who are a potential asset to your business.

**\*Be better informed...**

On what is being done in the residential industry through regular president's messages and OHBA magazine subscription.

**\*Support your industry's organization...**

By joining other members of our team, we become the voice of Haldimand and Norfolk's residential construction industry. The Haldimand and Norfolk residential construction industry is a 100 Million dollar per year industry and needs a strong voice to represent itself

**\*Support your local builders and new home construction...**

As a trade, being a member supports your customer/builder and strengthens the ranks by being a part of the association.

**\*Be part of a provincial and federal organization...**

By joining our association you also become a member of the provincial and federal home building associations. Which will keep you apprised of the rapidly changing construction industry through a monthly magazine subscription as well as regular emailed updates.

**\*Social events to stay connected...**

Our building association puts on an annual Golf tournament and Christmas dinner to give you the opportunity to socialize with fellow builders and trades.

**\*Give back, by working together to support your community**

The association contributes to local charities and gives you opportunities to participate.
