Membership Benefits

Haldimand-Norfolk
Home Builders'
Association

Below are some of the ways that you will benefit from membership

Enjoy friendship, along with knowledge
Attend informative meetings with guest speakers talking on pertinent subjects within the residential industry.

Increase business contacts by networking
Connect with other business owners who are a potential asset to your business.

Be better informed
Receive industry news, association updates, education and details of member programs.

Support your industry's organization
Help strengthen the voice of our residential construction industry. Share local issues and support municipal, provincial and national advocacy.

Support your local builders and new home construction
As a trade and/or supplier, being a member supports your customer/ builder and strengthens the ranks by being a part of the association.

Be part of provincial and national associations
Includes HNHBA locally, Ontario Home Builders' Association (OHBA) provincially and Canadian Home Builders' Association (CHBA) nationally.

Social events to stay connected
Our building association's annual Golf tournament and Christmas dinner give you the opportunity to socialize with fellow builders, trades and suppliers.

Give back by working together to support your community
The association contributes to local charities and provides you with opportunities to participate.
